VGC ACCOLADE

VAISHNO GROUP OF COLLEGES

Unfaltering footsteps are the surest sign of all success and progress. Miracles happen once in a while but it is steadiness and consistency that counts in the long run. We are past the initial stage; having started our journey in 2005 we are now visible as well as vibrant.

VGC is intensely committed to carving a place of respect as well as reputation for itself and for doing so we are wooed to the culture of excellence.

Growth and evolution are the hallmark of a vibrant institution and from this prospective the strides made by VGC are impressive.

We have expanded our outreach and scope of our academic activities every year. The corresponding infrastructure has similarly witnessed the requisite up gradation. VGC aims at preparing students as responsible citizens and employable engineers who can pursue their hobbies and other such ventures for over all development. TechnoMania 2015 was a successful campaign in this regard.

Technical Section: Technology transforms the person who sees….

What is Technology, The answer is both easy and surprisingly difficult to locate. In simple terms, it is the application of knowledge to the practical aims of human life. It includes the use of material, tools, techniques and sources of power to make life easier or more pleasant and work more productive. The event was categorized into following sections.

a) Project display
b) Paper presentation
c) Computer programming
d) Robotics
e) Extempore
f) Technical Quiz
g) Declamation
h) Brain- Teaser

Project Display

■ VGC News

The process of translating an idea into a good or service is called the innovation .The idea should be replicable at an economical cost and must satisfy specific needs, enhance productivity, safety and comfort. The main aim of the event was to let loose students' minds, use their technical acumen and convert their ideas into innovation. The event proved that its participants have dynamic brains as the following projects were displayed.

1. Non conventional non polluting energy generation
2. Automatic shielding of stadium
3. Solar bicycle
4. Usage of Pond Ash and Sugarcane Waste as replacement of sand in construction
5. Advanced Vehicle Speed Tracker
6. Floating Bridge (Pontoon Bridge)
7. MATLAB Based Industrial Automation
8. Auto-gate Controller Rail Track System
9. Hybrid Engine

* The Pontoon Bridge grabbed the first position due to its uniqueness and utility. It is a floating bridge with barges or boats ('pontoons') to support the bridge deck. It was a combined effort of the students of VGC wherein waste materials like vehicle tubes were up-cycled to make it cost-effective.

Paper Presentation:

■ VGC News

Technical writing is the process of writing and sharing the information at a professional setting but the art is to convey the information to another person or party in the most clear and effective manner possible. The main aim of the person presenting the information is to convey the complex information in a simple and easy format with the aim to showcase his skills. A large number of students from various institutes participated in the event.

Robotics:

■ VGC News

This technology deals with the design, construction, operation and application of Robots as well as their control, sensory feedback and information processing. These automated machines can replace humans in dangerous environments and manufacturing processes. The huge participation in event showed the potential of young generation who displayed their innovations in the branch of technology. In a tough competition Riju Choudhary and Anita Devi of VCOE scored first position and Shyna and Nidhi from Modern Sandeepni School secured second position.

Computer programming:

■ VGC News

It is a process that leads from an original formulation of a computing problem to executable computer programme. Programming involves activities such as analysis, developing, understanding, generating an algorithm. The purpose of programming is to find a sequence of instructions that will automate performing of a specific task or solving a given problem. During the TechnoMaina 2015, judges had to opt for a preliminary elimination round to shortlist the participants. Deeksha Mahajan and Surinder Singh both from VGC scored the first and second position respectively.

Extempore:

■ VGC News

It refers to a stage or theatre performance that is carried out without presentation or forethought. At VCOE, we used this term in the context of speech. There was nonstop clapping as students from various institutions spoke fluently and exuberantly on various topics that were given to them on the spot. Judges had tough time in judging the contenders. Finally Ritika Mahajan and Huma Lodhi both from VCOE scored first and second position.

Technical Quiz:

■ VGC News

For an engineer it's his sharp mind that provides him an edge over the others. So to check their knowledge in their field of science, a technical quiz was organized in Techno-Mania 2015. The presence of mind, the quickness and knowledge of participants from different colleges made the competition real hard. It was Shifali, Shagun Gupta and Narinder Chowdhary who proved out to be intelligent enough to come out as winners holding first and second positions respectively.

* A project on Advanced Vehicle Speed Tracking System, made its position among the best projects for its effective utility and efficient design. This speed checker comes handy for the highway traffic police as it not only provides a digital display in accordance with a vehicle's speed but also sounds an alarm if the vehicle exceeds the permissible speed for the highway.

Declamation:

■ VGC News

If there is anything that can save our freedom of expression, it is the game of Declamation. So to secure a point of view on various aspects, VGC had given the students an opportunity. The thoughts of students and their opinions about topics were worth listening. About 15 students from different colleges had put their opinions in front of the audience & respected judges.

Brain- Teaser

■ VGC News

Chess: "Chess" is a name that leaves an impression of Black and White boxes. The game is so strategic that it really pushes our left brain to work more analytically and increases creativity and mental ability. Keeping in mind the importance of chess, VGC took an initiative to move it from the conventional chess board to a bigger scale using giant pawns. The chess pieces were crafted by the workshop staff and students of VGC using the machinery and tools available in the college.

The game gathered huge audience and participations from various colleges, which made the competition worth watching. Every move played in the game was breathtaking and showed amazing strategies.

Amit Kumar from VGC and Suraj from Pathankot Polytechnic College bagged first and second positions respectively.

Arts Section: Art washes away from the soul the dust of everyday life…..

Art provides a mean to express the imagination in non-verbal, non-grammatical ways. Unlike words which come in a sequence and each of which have a definite meaning, art provides a range of forms, symbols and ideas with meanings that are malleable. It is often intended to appeal to and connect with human emotions. During the TechnoMania 2015, participants used the following categories of Arts to express their emotions.

a) Mehandi   b) Poster Making   c) Rangoli   d) Flower Decoration

Mehandi: the color of true relations……

■ VGC News

The varied hues of Indian culture embark a special position among the world arts. Among them is the ancient art of henna (mehandi), which is an intricate expression of culture and symbolism of religious aesthetics. At VGC, the Mehandi Drawing event attracted huge participation from various colleges. Priya from Pathankot Polytechnic College and Shalu from ITI, Pathankot bagged first and second positions respectively by captivating judges hearts by their striking designs.

Poster Making: A silent poetry worth a thousand words…

■ VGC News

A strong message conveyed by a few strokes of brush can definitely be called as the supreme form of art. When the world was busy speaking their views out on existing problems, VGC provided a platform for the students to exhibit it through posters. A splendid display of colours along with the message "Swach Bharat" captured the attention of the onlookers of the event. Mohit Ballagan and Vishal Mehra, students from VGC made it to the first and second position respectively by their uniqueness in expressing the same.

Rangoli: Sign of Good Luck & Prosperity….

■ VGC News

Rangoli, whenever the word strikes one can start visualizing the art of multicolor. The joy and values hidden behind the beautiful colors are well understood by Indian society. The VGC students showed their creativity by drawing eye capturing visuals like Lord Ganesha, Lotus & National bird made from different shining colors. Sameeksha and Baljinder from VGC bagged the first position and Indu and Gauri from Arya College, Pathankot bagged second position.

Flower Decoration: Earth smiles with flowers…

■ VGC News

Flowers are an instant anecdote to boring and monotonous life. A bunch of flowers can brighten up the entire space. With their assorted hues, varied shapes and sizes and pleasing scents, flower were gloriously exhibited by the participants from various colleges. Sonika from Pathankot Polytechnic stole the show by a splendid arrangement of flowers and won the competition.

Cultural events: The beauty of world lies in the Diversity of its People…..

The word culture will describes the values from traditions and customs of a society. VGC because of its location is blessed with diverse culture. The students from different regions showed their different cultures on Technomania Platform. The following were the segments in the cultural section at TechnoMania 2015.

a) Dance   b) Singing   c) Skit   d) Ramp Show

Dance: Dance isn't just Dance, its Magical something that sets you free….

■ VGC News

For the dancers whose home is the stage, VGC provided a platform to dance their hearts off. 2000 audience, multiple flash lights, the dancers and a stage, everything held hands to glorify the entire ambience. Skilled dancers and entertainers at heart, participants, were all set to thrill the spectators with their moves. There could be no better start than VGC`s own talents, Ishank and Bhumika, performing and setting the stage on fire as they grooved on popular Bollywood numbers using various props. Next in line, was the "Naati", which was a beautiful representation of the rich cultural heritage of Himachal Pradesh. Students from Arni University thrilled the audience by a fantastic hip-hop performance. Five young girls, Yashodhra & group from VGC presented an enthusiastic and entertaining performance on Hollywood tracks. Bhangra, Punjabi folk made the audience tap their feet as Prabhjot & group and Bodraj & group danced their hearts out.

Song Performances: "Music is the art of thinking with sounds".

■ VGC News

Life without music cannot be imagined and only music without words is not heart touching. Together music, song and beautiful voice can wake up the souls. That exactly was done by Madhurika, a student of B.Ed at Vaishno College of Education who secured the first prize in solo song. Another group performance on Bohemia`s rap, bagged the first position. VGC audience was hypnotized by melodious voice of the singers.

Skit display: expressing thoughts…..

■ VGC News

Each form of expression has its own effectiveness in communicating the author's thoughts. When acted out with appropriate characters and dialogue, it can capture the imagination of the viewer and leave a more lasting impression. Puneeta Manhas & group of VGC, presented a skit on "College Life" and bagged the first position. Sonali & group of Pathankot Polytechnic College bagged second position.

Ramp Show: Fashion is about dreaming and making other people dream.

■ VGC News

"Every day is a Fashion Show and the world is your ramp…"

An event embarked by style and distinguished attitude is nonetheless than the Ramp Show. Students from various colleges put in their best in order to keep up the expectations of the audience.

Anubhav, Shreshth, Shubham, Ashish and Rohit from VGC enthralled the audience by Devil-theme ramp walk. Another team from VGC represented the Golden Era of Bollywood since 1950`s and entertained the audiences by their performance. Deviyani, Apurva, Neha, Bhavna, Bhumika and Sonia from VGC, captivated the audience by their enchanting act under the theme "Deadly Sins – Pride, Greed, Gluttony, Jealousy, Anger and Lethargy". Students from Arya College, Pathankot walked down the ramp with an Indo-Western theme.

Mohammed Khalid Saifullah and Devyani were crowned as "Mr & Miss TechnoMania 2015".
